CONSENT: Categorical (Single)

{intro} {consent_fill} topics may be sensitive for you, and you can decline to answer any question. Most participants find the survey to be interesting with a chance to talk about things that matter to them. Which questions are asked depends upon your answers to other questions. The interview takes from about 60 to 90 minutes for most people.

(IF NEEDED: We can break up the interview into different sections if that will make it easier for you.)

Your participation is voluntary. However, all information that you provide will be kept in strict confidence. It is important to us to protect your privacy. All participants' answers are combined, and presented in the form of summary statistics, such as tables and graphs.

Parts of this interview may be recorded for quality control purposes. This will not compromise the strict confidentiality of your responses. May I continue with the recording?

EQWLTH: Categorical (Single)

Some people think that the government in Washington ought to reduce the income differences between the rich and the poor, perhaps by raising the taxes of wealthy families or by giving income assistance to the poor. Others think that the government should not concern itself with reducing this income difference between the rich and the poor.

Here is a card with a scale from 1 to 7. Think of a score of 1 as meaning that the government ought to reduce the income differences between rich and poor, and a score of 7 meaning that the government should not concern itself with reducing income differences. What score between 1 and 7 comes closest to the way you feel?

Categories:

Now we would like you to complete {response to saginttxt} brief questionnaire

on your own.

Remember that all of your answers are completely confidential. They will not be associated with your name in any way, and will be published in summary form only. If there is a question that you don't want to answer, just press the F7 function key. When you've answered the last question, you'll see a screen that says 'Questionnaire Complete' and you can turn the computer back to me.

Do you have any questions?

SECTION {sect} - BALLOT {response to BALLOT} - VERSION {response to VERXY} - {response to SU_ID}

INTRO1: Info

NORC and the National Science Foundation have done the General Social Survey for 40 years to keep a historical record of the concerns, experiences, attitudes and practices of Americans. Your household was randomly selected from addresses across the nation for participation this year. The information collected is used by policy makers, scientific researchers, government officials and students to better understand Americans and better meet their changing needs.

INTRO2: Info

R2: Info

FI INSTRUCTION: SELECT THE SET OF OCCUPATIONAL CARDS THAT MATCHES THE RESPONDENT'S CASE INFORMATION. THE RESPONDENT IS IN SUBSAMPLE {response to OCCPSAMP}.

SET UP OCCUPATIONAL PRESTIGE LADDER AND BEGIN.

Now let's talk about jobs. Here is a ladder with nine boxes on it, and a card with the name of an occupation on it.

FI INSTRUCTION: HAND FIRST CARD FROM "OCCUPATIONS" STACK TO RESPONDENT.

R3: Info

Please put the card in the box at the top of the ladder if you think that occupation has the highest possible social standing.

Put it in the box at the bottom of the ladder if you think it has the lowest possible social standing.

If it belongs somewhere in between, just put it in the box that matches the social standing of the occupation.

FI INSTRUCTION: OBSERVE THE RESPONDENT'S PLACEMENT OF THE CARD. IF HE IS UNCERTAIN AS TO HOW TO PERFROM THE TASK, EXPLAIN IT AGAIN, REMAINING CLOSE TO THE WORDING ABOVE. AFTER HE HAS SUCCESSFULLY PLACED THE FIRST CARD, CONTINUE.

R4: Info

Here are some more cards with names of occupations.

FI INSTRUCTION: HAND RESPONDENT CARDS FOR "OCCUPATION" QUESTIONS.

Just put them on the ladder in the boxes that match the social standing they have.

If you want to, you can change your mind about where an occupation belongs, and move its card to a different box.

FI INSTRUCTION: CONTINUE ONLY WHEN THE RESPONDENT HAS COMPLETED PLACING THE ENITRE DECK OF OCCUPATION CARDS.

R5: Info

Would you like to change the placement of any occupation, or place a card which you couldn't place earlier?

FI INSTRUCTION: ENCOURAGE RESPONDENT TO REVIEW THE ENTIRE ARRAY OF OCCUPATIONS AGAIN TO MAKE CERTAIN S/HE HAS PLACED EACH ONE WHERE S/HE WANTS IT – EVEN TO THE POINT OF GOING THROUGH EACH PILE AGAIN IF S/HE SO WISHES.

R8: Info

PLACE CARDS WHICH RESPONDENT PUT IN BOX 1 INTO ENVELOPE 1, THOSE HE PUT IN BOX 2 INTO ENVELOPE 2, AND SO FORTH.

PUT INTO "DK" ENVELOPE THOSE OCCUPATIONS WHICH RESPONDENT COULD NOT PLACE ON THE LADDER.

R9: Info

THERE MAY BE SOME CARDS FOR WHICH THERE WAS AN ERROR OF SOME KIND, THAT HAVE NOT BEEN PLACED INTO ENVELOPES 1-9 OR "DK". FOR EXAMPLE, CARDS THAT WERE NOT ABLE TO BE RATED DUE TO BREAKOFF OR THE OCCUPATIONAL CARD SET BEING INCOMPLETE.

PUT THESE CARDS INTO YOUR "MISSING" ENVELOPE.
